2022 Lenten Regulations

Dear Sisters and Brothers in Christ,

During the days and weeks of penance that lie ahead --- from **Ash Wednesday, March 2, 2022 until Holy Thursday, April 14, 2022** --- the Catholic Church throughout the world commemorates the penitential season of Lent ending with the Sacred Triduum of Holy Week. The model Jesus gave us for “these forty days” was his own experience in the desert and the temptations that followed him there where he encountered Satan face to face. And yet, Jesus, there in the desert --- alone, fasting and in intense prayer --- beat back the devil and triumphed over temptation, as strong and as unrelenting as it was throughout those forty days.

MINISTRARE NON MINISTRARI

OFFICE OF THE BISHOP

We enter the desert of Lent like Jesus, led by the Holy Spirit, to face our devils, our temptations head on. But we are not alone. The Lord Jesus Christ is with us. And so, too, is the Church, the entire community of faith observing Lent. Here is what the Catholic Church in the United States requires of us as baptized Catholics:

The days of FAST (only one full meal) and ABSTINENCE (no meat) are Ash Wednesday and Good Friday. No dispensations are granted on these solemn days except for reason of sickness or those provided in canon law below. The pastor of a parish has the authority to give a dispensation to individual parishioners in his parish. The Bishop alone has the authority to dispense groups of Catholics but only for a serious reason.

Those who are automatically dispensed from fast and abstinence regulations outside the age limits noted below include: the physically or mentally ill, especially individuals suffering from chronic illnesses such as diabetes. Also included in the dispensation are women who are pregnant or nursing. In all cases, common sense should prevail and ill persons should not further jeopardize their health by fasting (United States Conference of Catholic Bishops).

Those between the ages of 18 and 59 are obliged to FAST (only one full meal) as above. From the age of 14, people are also obliged to ABSTAIN (no meat: this obligation prohibits the eating of meat, but not eggs, milk products or condiments of any kind, even though made from animal fat).

The obligation to observe the laws of fast and abstinence is a serious one for Catholics. Failure to observe one penitential day in itself is not considered a serious sin. It is the intentional failure to observe any penitential days at all, or a substantial number of penitential days, that must be considered a serious matter.

The obligation, the privilege really, of receiving the Eucharist at least once a year --- often called “Easter duty” --- for those in the state of grace should still be fulfilled during the period from the **First Sunday of Lent, March 5-6, 2022 to Trinity Sunday, June 12, 2022**. However, the Church’s law does permit this precept to be fulfilled at another time during the year when there is a just cause.

I want to encourage all Catholics, especially those conscious of serious sin, to go to confession and to make use of the sacrifices and traditions that have always been part of our Lenten practices in the Church.

We do, indeed, fast and pray with the Lord Jesus and with our fellow Catholics. May this Lent be a time of penance leading to grace and joy for us all at Easter.

Sincerely yours in Christ,

Journeying Together through the Synod

*Sharing Your Own
Experience*

Listening to Everyone

*Listening can Change
Hearts & Minds*

Journeying Together through the Synod

Pope Francis has given all the Catholic faithful an opportunity to take part in the preparation for the 2023 Synod of Bishops in our own diocese and parish. In this opportunity to listen to each other and journey together as Church, Pope Francis hopes this listening throughout the world will “plant dreams, draw forth prophecies and visions, allow hope to flourish, inspire trust, bind up wounds, weave together relationships.” From it will come a way of being Church that remains faithful to the truths of our faith but allows us to pastorally respond anew to the needs of the present time.

Stories shared in listening sessions will illustrate how we live our faith in everyday of life. Participants listen to one another with care and respect, building trust and enabling honest, authentic sharing. Listening to each other’s stories helps us relate to one another, to empathize, to recognize our common hopes and the faith that sustains us.

The goal of synod listening is not data gathering or problem-solving. It is not focused on debating the controversial issues of the day or complaining. It is primarily a spiritual exercise, rooted in prayer. Everyone has something to share. Everyone has something to learn.

Listening sessions:

- Take place in small groups of 6 to 8 people
- trained parish facilitators and notetakers are present in each small group
- notes will be taken at sessions, identifying information on participants will not be passed on. The note taker will report to the diocese on the “gist” of each story so that the diocese can form the basis of their report.
- zoom or in person listening sessions are available
- one-on-one interviews are also available

The question to ponder for spiritual conversation is:

What have been the joys and obstacles in your journeying together with the church? Please share a brief story that illustrates your experience.

**Sign up to participate in a listening session
after all Masses on February 12 and 13**

Dear Sisters and Brothers in Christ,

If someone asked you "What does love have to do with it?" what would you say? Perhaps you would think of special people in your life – family, friend or a child or grandchild – or perhaps you reflect on a personal moment that you witnessed or experienced.

As I thought about this question, "What does love have to do with it," I immediately said, "everything!" As we look around at the many challenges we are faced with today, we need more of God's love in everything we do. St. John said, "Whoever is without love does not know God, for God is love." (1 John 4:8).

Sisters and brothers, every year at this time, I reach out to the faithful of the Diocese of Trenton to ask for your help and support of the Annual Catholic Appeal. The theme this year is "What does love have to do with it... Everything!" Help us share the love with so many of your neighbors in need here in the Diocese of Trenton. Remember, love is not what you say, love is what you do.

And so, once again I ask that you prayerfully consider a gift to the 2022 Annual Catholic Appeal, so we may share the love by reaching out to provide the essential ministries, programs and services that make a critical difference in the lives of so many.

May God bless you for your past generosity and for whatever support you can provide for the vital work that lies ahead.

Yours in Christ,

Most Reverend David M. O'Connell, C.M.
Bishop of Trenton

Celebrating the Beauty of Catholic Marriage from the Catechism – read more at usccb.org under “Resources”

1605 Holy Scripture affirms that man and woman were created for one another: "It is not good that the man should be alone." The woman, "flesh of his flesh," his equal, his nearest in all things, is given to him by God as a "helpmate"; she thus represents God from whom comes our help. "Therefore a man leaves his father and his mother and cleaves to his wife, and they become one flesh." The Lord himself shows that this signifies an unbreakable union of their two lives by recalling what the plan of the Creator had been "in the beginning": "So they are no longer two, but one flesh." Christopher M. Keith

Christopher M. Keith was born on February 2, 1983 to Brother Knight, George Keith and Pat Keith, Past Member of the Ladies Auxiliary, Council 6201 in Jackson, NJ. Chris was born with a genetic disorder called Neurofibromatosis (NF) which causes tumors to grow both inside and outside of the body, but in Chris's case the tumors grew in his brain.

Just before Thanksgiving of 2020, Chris had a constant headache and was getting sick. He took himself to Brick Hospital where the doctor did a chest X-ray and told him he was fine. The symptoms progressed and became significantly worse. On January 9, 2021, Chris took himself to Centra State Hospital in Freehold. This time the Doctor ordered a CT scan and admitted Chris for further workup. An appointment was made with a Neurosurgeon affiliated with Jersey Shore Hospital which confirmed Christopher has 2 cancerous tumors in his brain. It was recommended he undergoes a Craniotomy. Clearly this news was devastating and a family meeting was gathered ending in a decision to get a 2nd opinion with Dr. James Evans of Jefferson Hospital in Philadelphia. Dr Evans explained why Craniotomy was not the best option due to the placement of the tumors and lack of guarantee for a full removal. Dr Evans opinion was a bit more conservative in which Chris undergoes a needle biopsy followed by 6 weeks of both chemotherapy & radiation, but after treatment an MRI showed that the tumors had grown. At this point, Dr. Evans placed Chris on a more aggressive treatment where Chris is currently taking oral steroids daily and infusions every other week. These infusions are directed to treat the tumors differently not like the chemotherapy and radiation. We as a family continue to pray for better news.

Christopher was ordered by his doctor not to work in February of 2021, He lost his insurance after his short term disability ended. He currently has state insurance and is now waiting on a decision from SSI.

Christopher has 5 young children and this journey has been extremely hard on him, his kids and the family.
