Notes from Fr. PJ

Dear Friends in Christ,

Peace and Health to you and your family!

The following italicized ideas and thoughts are not mine. They were written by a Jesuit priest, born in Pennsylvania, and who spent 23 years in Soviet prisons. His name is Father Walter Ciszek, a Servant of God.

"Though our situation have been somewhat unique, the temptation (to give up) was not. It is the same temptation faced by everyone who has followed a call and found that the realities of life were nothing like the expectations he had in the first flush of his vision and his enthusiasm. It is the temptation that comes to anyone, for example, who has entered religious life with a burning desire to serve God and him alone, only to find that the day-to-day life in religion is humdrum and pedestrian, equally as filled with moments of human misunderstanding, daily routines, and distractions."

"It is the same temptation to say: "This life is not what I thought it would be. This is not what I bargained for: it is not all what I wanted , either. If I had known, it would be like this. I would have never made this choice, I would have never made this promise."

"And then one day, it dawned on me. It was the grace quite simply to look at our situation from his viewpoint rather than from ours. It was the grace not to judge our efforts by human standards, or by what we ourselves wanted or expected to happen, but rather according to God's design, with the real world ordained by God and governed ultimately by his will."

"His will for us was the twenty-four hours of each day: the people, the places, the circumstances he set before us in that time. Those were the things God knew were important to him and to us at that moment, and those were the things upon which he wanted us to act."

"These things, the twenty-four hours of this day, were his will; we had to learn to recognize his will in the reality of the situation and to act accordingly."

As Jesus said to Simon, “Put out into deep water,” so is our good Lord telling us. He is with us in all the deep waters of our lives. We just need to trust in Him. He will not let us drown. He is our Savior. He saves!

Blessings and regards,

Fr. PJ

The Parish of St. Veronica offers a warm welcome to Phil Thompson, a longtime parishioner of St. Veronica parish and member of the Howell community since 1980. Phil's introduction to the community will take place the weekend of Feb. 12 and 13. Phil will be installed as an acolyte 2 days later on February 15th at St. Anne's Church in Lawrenceville NJ. Due to Covid this will be a private and closed ceremony. Please keep Phil in your prayers as he continues his journey toward becoming a permanent deacon.

Journeying Together through the Synod

Sharing Your Own Experience

Listening to Everyone

Listening can Change Hearts & Minds

The goal of synod listening is not data gathering or problem-solving. It is not focused on debating the controversial issues of the day or complaining. It is primarily a spiritual exercise, rooted in prayer.

Everyone has something to share. Everyone has something to learn. Listening to each other and to the Holy Spirit can change our attitudes, illuminate our understandings, and guide our behavior. It can change us!

Pope Francis hopes this listening will “plant dreams, draw forth prophecies and visions, allow hope to flourish, inspire trust, bind up wounds, weave together relationships.” From it will come a way of being Church that remains faithful to the truths of our faith but allows us to pastorally respond anew to the needs of the present time. Here’s how you can participate:

Please pray for the success of the synod process.

If you wish to participate in the listening session, please contact Linda.dickinson@stveronica.com

St. Veronica youth participating in the Diocesan Youth Conference

The Diocesan Youth Conference was virtual this year, and had to be taped at St. Aloysius Parish on Friday, January 28th before being aired on Saturday, January 29th. Four members of the Saint Veronica High School Youth Group, Sam, Catherine, Nolan, and Elizabeth, as well as Sr. Ann Elizabeth, CR, and Phil Thompson, two of our Youth Group leaders, participated in this year's Diocesan Youth Conference taping. The theme for DYC this year was "Fulfilled", which focused on how God's love fulfills us in ways that the world cannot. Through talks, discussions, prayers and music, teens were invited to see the many signs of God's love around them and to recognize what things in their lives leave them feeling empty, keeping them from being filled with His love.

Our Youth Group took part in a Family Feud style game show (which we unfortunately lost!), playing against the St. Aloysius Youth Group. Sam participated in two "couch talks", where teens responded to questions, such as "How do you know God loves you?" and "What do you do to keep your connection to God strong?" Elizabeth read the Opening Prayer. During the closing prayer, Catherine proclaimed a reading from 1 Corinthians 13 – "Love is patient, love is kind, etc." – and Nolan offered the intercessions.

This was a unique opportunity for our youth group members to be involved behind the scenes of the DYC. We are very proud of their contributions to this amazing event!

Christopher M. Keith

Christopher M. Keith was born on February 2, 1983 to Brother Knight, George Keith and Pat Keith, Past Member of the Ladies Auxiliary, Council 6201 in Jackson, NJ. Chris was born with a genetic disorder called Neurofibromatosis (NF) which causes tumors to grow both inside and outside of the body, but in Chris's case the tumors grew in his brain.

Just before Thanksgiving of 2020, Chris had a constant headache and was getting sick. He took himself to Brick Hospital where the doctor did a chest X-ray and told him he was fine. The symptoms progressed and became significantly worse. On January 9, 2021, Chris took himself to Centra State Hospital in Freehold. This time the Doctor ordered a CT scan and admitted Chris for further workup. An appointment was made with a Neurosurgeon affiliated with Jersey Shore Hospital which confirmed Christopher has 2 cancerous tumors in his brain. It was recommended he undergoes a Craniotomy. Clearly this news was devastating and a family meeting was gathered ending in a decision to get a 2nd opinion with Dr. James Evans of Jefferson Hospital in Philadelphia. Dr Evans explained why Craniotomy was not the best option due to the placement of the tumors and lack of guarantee for a full removal. Dr Evans opinion was a bit more conservative in which Chris undergoes a needle biopsy followed by 6 weeks of both chemotherapy & radiation, but after treatment an MRI showed that the tumors had grown. At this point, Dr. Evans placed Chris on a more aggressive treatment where Chris is currently taking oral steroids daily and infusions every other week. These infusions are directed to treat the tumors differently not like the chemotherapy and radiation. We as a family continue to pray for better news.

Christopher was ordered by his doctor not to work in February of 2021. He lost his insurance after his short term disability ended. He currently has state insurance and is now waiting on a decision from SSI.

Christopher has 5 young children and this journey has been extremely hard on him, his kids and the family.
