# Notes from Fr. PJ

Dear Friends in Christ,

Peace and Easter Joy to you and your loved ones!

Just a little fervorino from our Gospel (Jn 21:1-19) this weekend:

1. There were seven disciples, who went back to where they felt comfortable—fishing. The number seven often symbolizes perfection. It was also the number of Jesus's last words *from* the Cross, the same number of words *to* the Cross.

- a. All of us have our own levels of comfort. Perhaps, our homes, where we experienced security and comfort initially. Or, maybe our loved ones and our individual families. Or for some, our Church.
- b. Home is where the heart is. The disciples, though perfect in number, may have found their hearts in their "home"—their fishing boat.

2. Until they heard a voice that was not their own. They did not recognize Him, except for John, whom Jesus loved. He said to them, "Cast the net over the *right* side of the boat." They may have been casting their nets on the *left* side of the boat, and caught nothing.

- a. Sometimes, God asks us to take a risk and cast our nets on the other side, which is the right side for Him. We might not recognize His voice, if we are one of the six other disciples. But, if we feel beloved, as John did, we would.
- b. The risks that God is asking us to do are not meant to scare us from doing better things. They are meant to help and support us better in recognizing Him. Having a great number of fish—153 large ones (which according to Biblical scholars, was the number of species of fish during that time), better and bigger than expected are worth more than casting nets opposite from where God is asking us.

3. When they climbed out on shore, they saw a charcoal fire with fish on it and bread. Jesus said to them, "Bring some of the fish you just caught."

- a. Jesus prepared what has to be done, but we are asked to bring what He has given us. We need to bring a part of ourselves, sometimes a big part of ourselves, to God in order to partake of the meal. This is also the wisdom of our offerings—be they through our finances, talents, or time.

4. Then follows the questions addressed to Peter and Peter's replies.

- a. This will be for another bulletin message sometime in the future. I will not bore you for now, but share some exciting, forthcoming news and preparations.

Our 60<sup>th</sup> Jubilee Committee has met this week to plan for our yearlong celebration. We will have an **Opening Mass for the Jubilee on Sunday, July 10<sup>th</sup>, at the 12 Noon Mass.** We have several events and activities for the year, and as we progress, you will know more about them.

We will also have an **Appreciation and Thanksgiving Mass for our Sisters of the Resurrection on Saturday, June 11<sup>th</sup> at 4 P.M.** We will invite the sisters who were assigned to our parish, and also some of our clergy who had great ministry relationships with them.

With these plans in mind, which make the good Lord laugh, I don't know where talks about selling the school, convent or Church is coming from. Maybe from people who will benefit from any of these closings. But, no, we are not. MSA is closing. The Sisters will be moving back to Castleton, NY, which is their mother house. But, we are here.

We are St. Veronica's. We move forward for more years of worship, ministry and service. This is our home.

With my prayers and blessings,

Fr. PJ

and the Life**

## Stewardship Prayer

*My Parish is composed of people like me. I help make it what it is. It will be friendly, if I am. It will be holy, if I am. Its pews will be filled, if I help fill them. It will do great work, if I work. It will be prayerful if I pray. It will make generous gifts to many causes, if I am a generous giver. It will bring others into worship, if I invite and bring them in. It will be a place of loyalty and love, of fearlessness and faith, of compassion, charity, and mercy, if I, who make it what it is, am filled with these same things. Therefore, with the help of God, I now dedicate myself to the task of being all the things that I want my parish to be.  
Amen*
